

Curriculum Vitae

Timo Fleig Dr.

University professor, first class (PR1C)

section 30 CNU (physics section)

age: 54 years (*10 July, 1967)

Nationality: German

Affiliation Laboratoire de Chimie et Physique Quantiques (LCPQ)

University Paul Sabatier, Toulouse III

118, Route de Narbonne, 31062 Toulouse, France

phone: +33 561 556559

e-mail: timo.fleig@irsamc.ups-tlse.fr

webpage: dirac.ups-tlse.fr/fleig

Education

2006 Habilitation and *venia legendi*, University of Düsseldorf, Germany

1998 Dr. *rer. nat.*, University of Bonn, Germany

1993 Diploma, University of Bonn, Germany

Career

since 2019 Full professor 1st class, UPS Toulouse

2008 - 2019 Full professor 2nd class, UPS Toulouse

2008 Heisenberg Fellow (equivalent W2/C3 in Germany, 2 months)

2002 - 2008 Assistant Professor (C1), University of Düsseldorf, Germany

2000 - 2002 Post-Doc, Free University of Amsterdam, The Netherlands

1999 - 2000 Post-Doc, University of Lund, Sweden

1998 - 1999 Post-Doc, University of Bonn, Germany

1993 - 1998 PhD student, University of Bonn, Germany

Awards

2008 Heisenberg fellowship DFG (3+2 years funding)

2000 Research stipend DFG (2 years funding)

Professional Experience

Peer-reviewed publications 49 in international journals

Book chapters 2 as sole author

International conferences 29 invited, 6 contributed lectures
(Invited lectures in USA, Australia, New Zealand, China, Japan, Argentina, Singapore, and many European countries)

h-index 27, > 2000 citations (Google Scholar)

Program packages Contributing author to the DIRAC relativistic electronic-structure code

Referee for Deutsche Forschungsgemeinschaft (DFG)

Polish Research Council

Phys. Rev. Lett., Phys. Rev. A, Phys. Rev. D, Can. J. Phys., Mol. Phys., Eur.

Phys. J. D (distinguished referee in 2013), J. Chem. Phys., Chem. Phys., Int. J.

Quant. Chem., Chem. Phys. Lett., Phys. Chem. Chem. Phys., J. Phys. Chem.

Co-organization REHE 2005 conference, Mülheim an der Ruhr, Germany

PhD Thesis opponent in Germany, France, Spain, The Netherlands

Previous funding

9 projects as leading scientist (DFG, ANR; 1,070,000 EUR total funding volume)
