

Curriculum Vitae

Timo Fleig Dr.
University professor, first class (PR1C)
section 30 CNU (physics section)
age: 53 years (*10 July, 1967)
Nationality: German

Affiliation Laboratoire de Chimie et Physique Quantiques (LCPQ)
University Paul Sabatier, Toulouse III
118, Route de Narbonne, 31062 Toulouse, France
phone: +33 561 556559
e-mail: timo.fleig@irsamc.ups-tlse.fr

Education

| | |
|------|---|
| 2006 | Habilitation and <i>venia legendi</i> , University of Düsseldorf, Germany |
| 1998 | Dr. <i>rer. nat.</i> , University of Bonn, Germany |
| 1993 | Diploma, University of Bonn, Germany |

Career

| | |
|-------------|---|
| since 2019 | Full professor 1st class, UPS Toulouse |
| 2008 - 2019 | Full professor 2nd class, UPS Toulouse |
| 2008 | Heisenberg Fellow (equivalent W2/C3 in Germany, 2 months) |
| 2002 - 2008 | Assistant Professor (C1), University of Düsseldorf, Germany |
| 2000 - 2002 | Post-Doc, Free University of Amsterdam, The Netherlands |
| 1999 - 2000 | Post-Doc, University of Lund, Sweden |
| 1998 - 1999 | Post-Doc, University of Bonn, Germany |
| 1993 - 1998 | PhD student, University of Bonn, Germany |

Awards

| | |
|------|---|
| 2008 | Heisenberg fellowship DFG (3+2 years funding) |
| 2000 | Research stipend DFG (2 years funding) |

Professional Experience

| | |
|----------------------------|---|
| Peer-reviewed publications | 48 in international journals |
| Book chapters | 2 as sole author |
| International conferences | 28 invited, 6 contributed lectures |
| h-index | 26, \approx 1900 citations (Google Scholar) |
| Program packages | Contributing author to the DIRAC relativistic electronic-structure code |
| Referee for | Deutsche Forschungsgemeinschaft (DFG) Polish Research Council Phys. Rev. Lett., Phys. Rev. A, Phys. Rev. D, Can. J. Phys., Mol. Phys., Eur. Phys. J. D (distinguished referee in 2013), J. Chem. Phys., Chem. Phys., Int. J. Quant. Chem., Chem. Phys. Lett., Phys. Chem. Chem. Phys., J. Phys. Chem. |
| Co-organization | REHE 2005 conference, Mülheim an der Ruhr, Germany |
| PhD Thesis opponent in | Germany, France, Spain, The Netherlands |

Previous funding

9 projects as leading scientist (DFG, ANR; 1,070,000 EUR total funding volume)
